Dear subscribers, we have received a great number of letters of solidarity from South Africans, both individuals and organizations. We appreciate your support and glad you decided to stand with us today, when Russia, like 80 years ago, is fighting Nazism in Ukraine! 🇷🇺🇿🇦

Sorry, but we can't stay silent on this one, it's just far too cynical. What 🇷🇺 is doing in 🇺🇦 is slaughtering innocent children, women and men for its own gain. It's definitely not "fighting Nazism". Shame on anyone who's falling for this. (Sadly, we're kinda experts on Nazism.)
